

Raleigh-Durham International Airport
National Guard Drive/Aviation Parkway Development Area
“Aviation Station”
Background Information

All surveys, studies, statistical and other information contained in these documents are provided for general information purposes only, including, without limitation, the information attached hereto. The Authority is not responsible for any inaccuracies or interpretations of such data. The Authority makes no representations as to future traffic counts, potential customers or revenues. All information provided by the Authority is provided as a convenience without any warranty or other representation whatsoever by the Authority. Parties interested in submitting a proposal shall make their own investigation and derive their own conclusions and interpretations from the data supplied by the Authority and from information available to it from other sources.

- **Passenger Stats**

Total passenger activity reached 9,430,141 in 2006. From January to March 2007, passenger activity reached 2,182,403, 4.7% higher than the same period last year. Passenger traffic is forecasted to grow in 2007 to a level slightly higher than achieved in 2006.

- **Parking Stats**

The parking statistics below account only for vehicles parked in Airport lots. They do not account for meeter and greeter traffic at the Airport, rental car traffic or traffic bypassing the Airport on Aviation Parkway or I-40. Nearly two million vehicles were parked in airport parking lots in 2006.

- **Rental Car Activity**

The rental car service centers for RDU are located approximately 0.5 mi from the Development Area. Airport rental car agencies report the gross amount of revenues generated at RDU on a monthly basis. Rental car gross revenue grew from \$103,501,076 in Fiscal Year 2005/2006 to \$119,173,452 in 2006/2007, a 15% increase.

- **Airport Hours of Operation**

Security checkpoints generally operate between 4:00 AM and 10:00 PM. Flight operations generally occur between 5:45 AM, first departure, and 12:45 AM, the last arrival. It generally takes customers 30-45 minutes to retrieve their checked baggage and return to their vehicles parked in remote parking lots. Parking Lot shuttles operate 24 hours per day.

- **Airport Employee Population**

4,700 employees are badged to work at RDU as of May 2007. Several agencies including the North Carolina Air National Guard, which is located on National Guard Drive, have employees that do not have airport issued badges.
