In compliance with the Federal Regulations, 49 CFR Part 23 & 26, the Raleigh Durham Airport Authority is in the process of developing its Airport Concessionaires Disadvantaged Business Enterprise (ACDBE).

We are soliciting input and feedback from representatives of current concessionaires, minority and women business and trade associations, to assist the Airport in the establishment of its ACDBE/DBE goals. We invite you to participate in a meeting to discuss the proposed goals, as well as the availability of potential ACDBE/DBEs at the airport, the effects of discrimination on opportunities for ACDBE/DBEs, and the Airport's effort to increase ACDBE/DBEs participation.

We sincerely hope that you or your representative will attend this meeting to assist the Airport in our ongoing efforts to implement effective ACDBE and DBE programs.
