

Video:

The visuals will combine existing animation of the Terminal with more recent artwork of specific areas.

The audio will be a man's voice combined with upbeat, fun music.

Artwork of outside of finished terminal.

Quick montage of area stills cut to music.

Terminal 2 logo.

Audio:

Terminal 2.

Elevating the experience.

With a larger security checkpoint.

More ticket counters

Electronic kiosks.

Terminal 2.

Designed to reflect the landscape that surrounds it.

High-tech.

Contemporary.

Expansive.

Like the region it serves.

With over 40 shops and restaurants.

Some local.

Some not.

Terminal 2.

Wide open.

Easy to use.

Completely new.

RDU's Terminal 2.

Elevating the experience.
